

# complyND<sup>✓</sup> – Set-up and Assign BISP/LISP/FIRE Survey

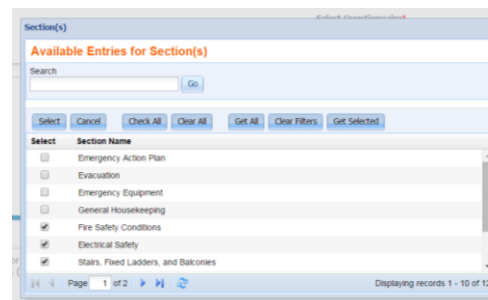

As an inspection admin, you will be able to setup and assign a BISP/LISP/FIRE survey in complyND. Please refer to the [complyND<sup>✓</sup> Inspection Management User Guide](#) for more detailed information.

## Set-up and Assign BISP/LISP/FIRE Survey

1. Log into complyND.
2. From the Survey tab, click **Setup surveys**.
3. From the *Setup* infoport, select **Survey/Scorecard/Certification**.

4. Select **Type** (survey, scorecard or certification)
5. Select **Questionnaire**. All questionnaire loaded in the system are available in this popup window.
6. In the **Name** field the questionnaire name automatically fills in. However, since every survey must have a unique name you will need to modify this name.
7. **Choose section(s)**. You can choose one or more sections from the selected questionnaire. This will not normally be necessary.
8. Choose **Primary Contact** (person who will be the issue contact).
9. Choose the **Inspection Type (LISP, BISP, FIRE)**.
10. **Assets** are auto filled based on the questionnaire selected
11. **Generate Excel Based Response** (check or not?).

12. In the **Manage Survey** dropdown field select **Keep open** in order to keep the survey open until all issues have been resolved.
